Science

Can you name these animals that people keep as pets?

Geography

The United Kingdom

Art

Artist Study: Henri Matisse

Born: 1869 in France

Died: 1954, when he was 85 years old

Likes: Bright colours and collages

When he was young he was poorly and had to spend a long time in hospital. His Mum gave him paints and brushes so he didn't get bored. That is when he decided he wanted to be an artist.
