Other Areas						
Computing	In Nursery children have opportunities to access ICT equipment during continuous provision. During this time children are taught how to handle and use the equipment safely.					
Online safety						
P.E. (PD)	Physical Development In Nursery children's gross motor skills are developed through using the outdoor areas and equipment (tough terrain) and through movement and dance. Basic skills are developed such as, throwing, catching, jumping, hopping, running etc. Children are given opportunities to use a variety of tools and equipment to help develop their fine motor skills.					
PSHE (PSED)	Personal, Social and Emotional Development In Nursery PSED Principles underpin daily classroom practice which ensures children develop the personal, social and emotional skills needed to be able to manage their own needs, express their feelings and build positive relationships.					

Whitefield Infant School and Nursery Nursery Curriculum Overview
