

Tic-Tac-Toe

3

Can you help me make three in a row?

1. Play with a friend.
2. Choose which colour of counter each of you will use.
3. Take it in turns to place one counter at a time on the game board.
4. Your aim is to get three counters in a row!

Tic-Tac-Toe

Cut out the counters and place them with the tic-tac-toe grid.
